COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

A preliminary meeting was held in the Selectmen's Office Tuesday night to coordinate the police and fire department in the event of more bomb threats. Present were officers of the local, County, State Police and the Fire Department. The manner in how calls will be handled was discussed, also what equipment and men will respond. The findings of the meeting will be presented to the Fire Department personnel at the next meeting to get their reaction on participating in a search. There will be further meetings which will include C. D. and the possibility of a medical team to be present as is recommended in situations such as a bomb threat.

The fact we must be prepared, at the local level, to provide for the safety of all concerned was clearly understood. The state and county police will answer a call as quickly as possible and assist to whatever degree necessary but with the large areas they patrol they cannot promise to be available during the initial stage of any emergency.

HIGHWAY NIGHT PATROL STARTS WINTER PATROL OF STATE'S MOST-TRAVELED ROADS

The State Highway Commission's night patrol began its regular seasonal tour of duty last week end.

This is the seventeenth season the night patrols will keep watch on about 2,000 miles of the state's most-traveled highways, including 217 miles of Interstate highways.

The major purpose of the patrols is to alert plowing and sanding crews if needed. Patrolmen also carry enough sand in their trucks to cover, short, icy sections of highway in dangerous locations and are prepared to aid motorists in distress.

Last winter, according to a tabulation made by the commission, the night patrol assisted over 650 motorists stranded in rural areas of the state. Of those aided by the patrols, 600 of the cars bore Maine license tags and 157 were registered out of state.

During the nightly round of duty, patrols contact their division offices by radio at least once each hour, through the night, reporting weather and road conditions. This information is passed on by the division offices to the department's headquarters office in Augusta every two hours. Every day at 6 a.m. and 10 p.m. a statewide report is made available by the Augusta office to the Presque Isle, Ellsworth, Bangor, Portland and Dixfield division offices.

All of this information—late reports on local highway conditions as well as the statewide report—is made available to news services and to general public at the above listed offices any time of day or night. Information can also be obtained from the Fairfield and Rockland offices Monday through Friday from 8 a.m. to 5 p.m.

Motorists in this area may wish to make a note of the telephone number of the Dixfield Division office so they can take advantage of this road condition reporting service. Dixfield Division Office, U.S. Route 2—telephone 563-4231 and 563-4229. Office open 24 hours a day, seven days a week. Late state-wide reports available after 6 a.m. and 10 p.m. in every day of the week. Reports available on roads that are patrolled in this division at any time, day or night.

PLANNING MEETING FOR "LIVING NATIVITY" TO BE HELD NEXT WEDNESDAY, 7:30

For the benefit of newcomers to the Bethel area, this annual event is presented by and for the community, on the outdoor common on a Sunday before Christmas. This year's pageant will be Dec. 20.

At strategic places throughout the District, barrels will be placed for the convenience of area residents who may have old toys to donate. The G. A. A. girls will repair the toys and give them to the Health Council for distribution at Christmas. It is hoped that a good response will be given this worthy project.

BETHEL SNOW TWISTERS HOLD NOVEMBER MEETING

The November meeting of the Bethel Snow Twisters was well attended by 55 guests and members. Four movies furnished by Moto Ski, Arctic Cat, and Ski-Doo, were most enjoyable. Safety was stressed plus racing procedure.

The club's fund raising project was reported on by the committee. It was announced that a 14-inch color TV would be first prize, a radio for second prize, and a third prize of cash will be offered. Tickets are available from any of our 100 members. Any members who have not picked up their minimum obligation of two books of tickets may do so from Norma Jodrey at the Bethel Spa, or Herb Kildredge. The prizes will be awarded at the Bethel Winter Carnival.

The Snow Twisters Christmas party will be held at the new Legion Hall on Vernon Street, Dec. 12, at 8 p.m. An exchange of gifts will be done as last year. More information will be sent to all members.

The December meeting will be Dec. 14 at the Casco Bank community room, 7:30 p.m. The main part of the meeting will be to nominate and elect new officers for the coming year. Members are reminded that 1971 dues are now due.

GREENWOOD CITY

Mrs. Colista Morgan, Corres.
The day is growing late. The dying embers of the sun are turning our western sky to red. My strong and sturdy pine across the pond casts its shadows to the waters edge. There is a light ripple down pond. It won't be long before that will vanish until spring for Pond will soon wear its winter coat.

A sound overhead near my window and our sailor of the skies, the blue jay comes in for a landing.

James Whitcomb Riley praised him thus:

Mr. Bluejay full o' sass
In them baseball clothes of his
Sportin' round the orchards jes' like he owned the premises.

They are engaged in finding food and when one finds a crust of bread they all join in the rush. They seem to come with winter's cold. They love a hazy sky and seem to know that the blue of their dress is a bright array while perched upon a leafless tree.

It's November, the witchery month, blue days with white clouds, crisp nights, and frost clear stars.

We turn the pages of the year to another Thanksgiving day. It's a time for memories to look back on the year. It's the smell of turkey roasting, and it's the ring of love as your family gathers.

While turning memories pages let's turn to one that's new. Think of today and now. For it holds blessings, too. It's nice to be with those we love. So joyous and so gay. Then clear your mind. That, you may find Golden moments throughout the day.

Ann Holt spent the week end with her friend, Vicki Weymouth of Bridgton, and they went to Boston.

Mrs. Franze Mills, Shoppeigh, was a supper guest of her sister, Mrs. Clyde Morgan, Saturday.

Divine help is always at hand, ac-
cording to the Lesson Sermon to be
read Sunday at Christian Science
church services.

"Ancient and Modern Necroman-
cy, or Spiritism and Hypnotism, De-
monstrated" is the subject of the Les-
son Sermon. The Golden Text is from
Isaiah: "Fear thou not; for I am
with thee; be not dismayed; for I am
thy God; I will strengthen thee; yea,
I will help thee; yea, I will uphold
thee with the right hand of my
righteousness."

"From 'Science and Health with
Key to the Scriptures' by Mary Bak-
er Eddy, this passage will be read:
"At all times and under all circum-
stances, overcome evil with good.
Know thyself, and God will supply
the wisdom and the occasion for a
victory over evil. Clad in the pan-
cyp of love, human hatred can-
not reach you."

Everyone is invited to the church
services at First Church of Christ
Scientist, Main and Tenth Sts., Ber-
lin, N. H., at 11 a. m.

"The Bible Speaks to You" is
broadcast each Sunday over Station
WMU, Berlin, N. H., at 4:15 a. m.

sociation of Christian Teachers, and

School.

mers under a Federal Grant at Pin-
land Hospital in Pownall, studying
behavioral responses for Director
Anderson, the Director of Mental Re-
habilitation in Augusta.

man, Sarah Runyon, Wendy Ault,

Cross-Country Coach Frank Vogt
presented varsity letter awards to
runners: Jack Milligan, Charles
Ault, Larry Bright, Scott Trewworg,

ters were won by Rick Chandler,
Kevin Jeness and John Palange.

In the special awards category
Dan Baxter received the Rookie of
the Year trophy; Doug Shaw, Most
Improved Runner trophy, and 1971
Captain-elect Larry Bright received
the Most Valuable Runner trophy.

Head football coach Don Feeney
awarded junior varsity letters and

ing Family, as she has two brothers
and two sisters-in-law who are cur-
rently teaching.

enrollment in these classes is limited
to 15 students, the cost of these
classes is higher and they are com-
puted separately. This cost is based
on the teacher's salary, plus 35%
of this salary as the cost for books,
supplies, etc., divided by the aver-
age daily membership for the spe-
cial class for the same year. For the
Special Education class at Telsar,
the tuition rate for this year has
been established at \$1,086.14, and
certified by the State Department of
Education.

In all cases, final tuition rates are
computed at the end of the school
year, based on actual costs, and the
accounts reconciled, according to
law.

It might also be interesting for Mr.
McCoy to know that we currently
have 60 students in S.A.D. #41 as
opposed to 45 last year. This is a
25% increase in students. Further,
as long as inflation continues in our
state and nation, the cost of books,
supplies, equipment, and salaries
continues to rise, and so does the
tuition rate accordingly.

Sincerely,
Mrs. Annette Carver, Chairman
Mrs. Rose Taylor
Mrs. Jane Smith

LETTER TO THE EDITOR

November 20, 1970

The Editor
THE BETHEL CITIZEN
Dear Sir:

As members of the Gilead School
Committee we feel it our responsi-
bility to respond to the letter of Mr.
Samuel F. McCoy, in the November
19, 1970 issue of THE CITIZEN.

Before Mr. McCoy alleges that any
Gilead taxpayers are being "shifted"
by "unwarranted and excessive
tuition charges" and being "forced
into providing unauthorized and il-
legal expense" he should refer to a
current copy of Title 20, Sec. 1292
as amended by the 101th Legislature
in Regular and Special Sessions.

For the secondary tuition rate,
the law provides that, "Said per pu-
pil cost may be increased 15%
and the administrative unit may
add thereto an amount obtained by
dividing 5% of the insured value of
secondary school buildings and
equipment by the average daily mem-
bership of all regularly enroll-
ed students for the same year." Ac-
tually, the adjusted tuition rate last
year of \$803.84 is added to by 15%
(\$120.58) for a current year tuition
rate of \$924.42. This rate has been
established by the State Department
of Education. If, in fact, S.A.D. #41
expenses do not go up 15%, the dif-
ference is credited to Gilead when
this computation is established.

The elementary tuition rate is de-
termined by taking all expenditures
for elementary education, excluding
expenditures for community serv-
ices, capital outlay, debt retirement,
tuition and transportation for the
preceding year, adding to that 1%
of the insured value of elementary
school buildings and equipment, and
dividing by the average daily mem-
bership for the elementary schools
for the same year. In the current
year this amounts to \$647.86, as cer-
tified by the State Department of
Education.

One additional change in the law
is in regard to Special Education
(students who need special help, for
any of various reasons, in state ap-
proved special classes). Since the
law is now open in the business district
in Berlin, N. H., at 134 Main St.,
from one to four every Tuesday,
Thursday and Friday. The public is
warmly invited to attend.

Local hunters whose deer were tagged at Cigo include: Frances Tyler, Loy Harrell, Loton Huchinson, Harold Clukey, Ernest Perkins, Elizabeth Wheeler, Byron L. Plim, Danny Long, Sam Stone, Don Park, Doug Brooks, Dean Brown, Stephen Anderson, Paul Halle, Kennan Burk, Gerald Walker.

VERY-MINI HISTORY: Weather-vanes and whirligigs are popular objects of our times. In early colonial days the New England meetinghouses were originally barn-like structures and when a tower and steeple were added a weather-rock was often placed upon it. The weather-rock was a beloved symbol to the Puritans representing repentance. Many of the beautiful New England churches have weather-vanes and the weather-rock may be seen in Maine. Matt 26-34, 75.

Honored by a Box Car As the freight train goes by on the crossing we could read "Luckswanna, the Home of Phoebe Snow." The name Phoebe Snow is still familiar, three librarians and R. R. people only recall that much. Perhaps the answer will be given in the Bethel Citizen. Luckswanna is in New York or Pennsylvania. - E. M. M.

JUST BRUSHING IS NOT ENOUGH

It stands to reason that if a foundation is not secure then what is built upon it could have future troubles. So it is with dental health and hygiene. You must have healthy gums to have good teeth.

Even frequent brushing of your teeth is not enough if it is done incorrectly. A good brushing should take around three minutes with a good part of this devoted to the gums. Your dentist will explain to you the best method and equipment to use. We have all the products that he will recommend in our complete dental care section. Let your dentist check your gums.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

MR. AND MRS. CUMMINGS HONORED ON 50th ANNIVERSARY

One hundred seventy friends and relatives gathered at the Locke Mills Legion Home on Nov. 21, to celebrate the 50th wedding anniversary of Alanson and Fannie Cummings.

Granddaughter Dorothy Lovejoy started off the evening singing several songs, accompanied by her father, Cleve Lovejoy, at the Lowry organ. Then Dorothy sat down at the organ and played the Wedding March for her grandparents to march around the hall and take their place beside best man Ellis Davis and maid of honor, Bea Smith (now Mrs. Arnold Sennett). Elder David Shaw performed a dedication ceremony that he wrote for this occasion. Mrs. Ellis Davis read a poem composed for this celebration.

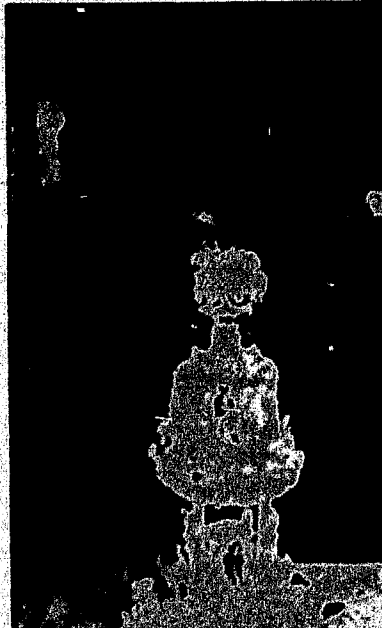

John E. Howe, Dept. Commander of the American Legion was the master of ceremonies, introducing the many Legion and Auxiliary dignitaries present and reading the communications received from President Nixon, Senator Margaret Chase Smith, Governor Kenneth Curtis, First Selectman of Lebanon, Conn., Richard Cummings, James Day of the Maritime Commission in Washington, D. C., and actress Beta Shaw of North Hollywood, Calif. A wire from Senator Edmund S. Muskie was delayed in transit and was received by Mr. and Mrs. Cummings early this week.

Alanson and Fannie then introduced members of their families that were present. A happy re-union was held when from the crowd a W. W. II shipmate, now living in Danvers, Mass., stood up.

An interesting feature of the evening was the Memory Table which displayed remnants, relics, and souvenirs of their 50 years of marriage.

Starting with the dress Fannie was wearing when Alanson first saw her, the Navy suit Alanson had on when they first met, pieces of her wedding dress and his shirt, a cup and plate that went West with them in 1924 and 1925, Alanson's W. W. II mementoes from Australia, Fannie's "busted" champagne bottle used to christen the U. S. S. Isaac Sharpless when she was Dept. President of the American Legion Auxiliary, pictures and other items too numerous to mention, finishing up the display were pictures of their three grandchildren, Alanson F. Lovejoy, who is in the Navy and stationed at Great Lakes Training Center, Ill., Dorothy L. Lovejoy, an L.P.N. at the Connecticut Valley General Hospital, Colebrook, N. H., and Ellen F. Lovejoy, a fifth grade student at Crescent Park School in Bethel.

Mrs. Cleveland Lovejoy was the hostess and was assisted by Miss Do-

Mr. and Mrs. Alanson Cummings

rothy Lovejoy, Miss Ellen Lovejoy and Miss Brenda Pettit. Mrs. Mark Strother and Mrs. Melvin Austin were in charge of the gift table. Mrs. Albert Downing, Mrs. Wallace Lofreda, Mrs. Arthur Cummings and Mrs. Shirley Gilbert served the refreshments. Mrs. Leland Dunham was in charge of the guest book and Mrs. Dana Brooks cut and served the cake.

Refreshments of cider, doughnuts, cheese, crackers, coffee and a special four-tier 50th anniversary cake, made by Mrs. Leona Flint, were served.

A special letter of congratulations arrived from Governor-elect Thomas J. Meskill of Connecticut.

A phone call was received during the party from Mr. and Mrs. Elmer Waterhouse of Apopka, Fla., the only one of the six remaining brothers and sisters who was unable to attend.

In addition to Maine Dept. Commander John E. Howe, American Legion dignitaries present were "Mr. Legionnaire" himself, a Founder of the American Legion in 1919 at Paris, France, James Boyle and Mrs.
